### OVERCOMING PHOTOGRAPHIC INERTIA

For the clickers, the collectors, the creators of imagery

by @SmallWhenFar

### PHASE THREE

Make 5 photos with a colour being the connecting theme

To get us looking, looking, for connections

### HOW TO USE

Let's not overthink this. Let's get out there making photos, hopefully this is helpful in moving through the initial artist blockage. Let's get creating creators!

### PHASE TWO

Make 5 photos as close as your camera can focus

To challenge our perspective bias

### PHASE ONE

Make 5 photos with a ONE SECOND shutter speed

To help open up our mind to unconventional possibilities
